personalize iLOR Search

iLOR is not just a "search engine".

It is a "Research Engine"!

iLOR Search results have many more options than regular search sites! When you pause your cursor arrow over a search result using iLOR, an option menu appears that gives you exciting, useful and easier ways to explore the results that are relevant to your search and ignore the ones that are not.

- make your web search quick and efficient
- no more clicking the "back" button a million times
- no more running searches over and over
- pick only the results that are important to you
- put the best search results in "My List"
- save search results for later use
- explore any result and never get lost
